Ribbon cutting for Oxford Pharmaceuticals’ \$29.4 million manufacturing facility

WHAT: Birmingham’s Oxford Pharmaceuticals Ribbon Cutting Ceremony

WHEN: 9 a.m., Monday, August 1, 2016

WHERE: [301 Leaf Lake Parkway, Birmingham, AL 35211](#) (Jefferson Metropolitan Park at Lakeshore, off Lakeshore Parkway, about 6.5 miles from Interstate 65)

BACKGROUND: Oxford Pharmaceuticals announced its plan to build a generic drug manufacturing plant here in Birmingham in 2014, employing up to 200 people once fully operational. Construction is complete and Governor Robert Bentley, Mayor William Bell and Jefferson County Commissioner David Carrington will help Oxford Pharmaceuticals open its new manufacturing facility with a ribbon cutting ceremony.

Oxford Pharmaceuticals has invested approximately \$29.4 million to build a pharmaceutical manufacturing facility in Birmingham that will initially create 61 jobs and employ up to 200 people when fully operational. The Oxford, England-based startup pharmaceutical company has built a 120,000-square-foot facility on nearly 24 acres in the Jefferson Metropolitan Park at Lakeshore in Birmingham.

The media is invited to cover the ceremony and learn more about the types of positions Oxford will be hiring as it begins its operations. [AIDT](#) will assist the company in its recruiting, screening, hiring and training programs.
